

# How can I be a better leader-manager?

---

A workshop designed to enhance workplace coaching and complete leader-manager skills

---

Objectives:

- Exploring Complete Management and Full Range Leadership theories
- Linking theory with workplace coaching practices
- To review literature on coaching in the workplace
- To understand the impacts of 'ineffective' leadership-management habits
- To provide an objective tool for self-assessment of Leadership-Management behaviours

1 day program

½ day theory in group setting

½ hr one to one review session
